THIS AGREEMENT made and entered into on the 28th day of May
- 1993 between the ABERDEEN TOWNSHIP MUNICIPAL UTILITIES
AUTHORITY, hereinafter referred to as the "EMPLOYER", and Local #3435 of
the AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL EMPLOYEES, a
labor organization affiliated with the AFL-CIO, located at University
Office Plaza, 3635 Quakerbridge Road, Trenton, New Jersey, hereinafter
referred to as the "UNION".

WITNESSETH:

WHEREAS, an election was held under the auspices of the Public
Employment Relations Commission on October 31st, 1975, which resulted in
the certification of the "Union" as the sole and exclusive bargaining
agent for the "Unit" which is described in the Consent Election
Agreement as follows:

"INCLUDING" All Blue Collar Workers of the Aberdeen Township
Municipal Utilities Authority;

"EXCLUDING": Clericals, all Managerial Employees, Confidential
Employees, Policemen, Professional and Craft
Employees and Supervisors within the meaning of the
Act;

hereinafter the "Unit".

NOW, THEREFORE, it is mutually agreed between the parties hereto
that the following agreement shall become effective:

FEBRUARY 1st, 1993

ARTICLE 1. RECOGNITION

Section 1. The "Employer" hereby recognizes the "Union" as the
sole and exclusive bargaining agent for the "Unit", as now constituted
or as it may be constituted in the future, for all those matters
specifically provided for herein pertaining to wages, hours and
conditions of employment.

Section 2. The bargaining unit shall consist of the "Unit".

Section 3. Wherever used herein the term "Employees" shall mean
and be construed only as referring to the "Employees" contained within
that "Unit".

ARTICLE 2. PROBATIONARY PERIOD

Section 1. The Probationary Period shall be ninety (90) days with an automatic ninety (90) day extension upon notice to the "Union".

Section 2. During the aforementioned probationary period, the "Employer" may discharge such employee for any reason whatsoever. An employee discharged during such probationary period shall not have recourse to the grievance procedure as set forth in this Agreement. The "Employer" shall have no responsibility for the re-employment of newly engaged probationary employees, if they are dismissed during the probationary period.

ARTICLE 3. HOURS OF WORK AND OVERTIME

SECTION 1. The work week shall be comprised of five (5) scheduled days of work of eight (8) hours each and in the calendar period Wednesday through Tuesday, which days need not be consecutive.

SECTION 2. Any work performed beyond eight (8) hours in any day of the work week shall be considered overtime and paid at time and a half. Any work performed beyond forty (40) hours in any work week shall be considered overtime and paid at time and a half.

SECTION 3. Employees called to work prior to the start of their normal work shift shall be paid overtime rate for any such time worked, provided that the employee completes his regular eight (8) hours for that day.

SECTION 4. In the event an employee reports for work without having been previously notified that there is no work, the employee shall be guaranteed eight (8) hours of pay at his regular rate of pay provided the employee remains at work and performs his assigned duties.

SECTION 5. In the event an employee is called to work, he will be guaranteed a minimum of three (3) hours of pay at time and a half, providing that the call was received prior to his reporting time, after he has left the job or at least three (3) hours after a previous call. The employee shall receive time and a half, except on a holiday, for any time at second call that occurs within three hours of the previous call.

SECTION 6. All scheduled overtime shall be offered first to full-time union employees before scheduled overtime is offered to part-time or other employees.

Overtime shall be distributed as equally as practical among the employees within the "Unit".

SECTION 7. A working shift shall consist of a scheduled eight (8) hour consecutive hours in each twenty-four hour period within the work week.

SECTION 8. In the event an employee is called in on a beeper call after the conclusion of his work shift or prior to his scheduled work shift, the employee shall be guaranteed a minimum of three (3) hours of pay at time and a half.

SECTION 9. Employees assigned to work the second shift shall receive a differential of twenty-five (\$.25) cents per hour.

SECTION 10. Employees assigned to work on the third shift shall receive a differential of thirty-five (\$.35) cents per hour.

SECTION 11. In the event an employee reports to work late, that employee will be docked pay in increments of fifteen minutes provided that employee is late for the majority of that fifteen minute period.

ARTICLE 4. UNION SECURITY

SECTION 1. The "Employer" agrees it will give effect to the following form of Union Security:

(a) All present employees, who are members of the "Union" on the effective date of this Agreement, may remain members of the "Union" in good standing by payment of the regular monthly dues. All present employees, who are not members of the "Union", will pay a Representation Fee as set forth herein.

(b) It is agreed that at time of hire, newly hired employees, who fall within the Bargaining Unit, will be informed that they have the chance to join the "Union" ninety (90) days thereafter, or pay to the "Union" a Representative Fee.

ARTICLE 5. CHECK-OFF OF UNION FEES

SECTION 1.

(a) The "Employer" hereby agrees to deduct from the wages of employees by means of a check-off the dues uniformly required by the labor organization pursuant to the provisions of N.J.S.A. 52:14-15 9E. The "Employer", after receipt of written authorization from each individual employee, agrees to deduct from the salaries of said employees their monthly dues and initiation fees. Such deductions shall be made from the first two salaries paid to each employee during the month and such deduction made the first month shall be double deduction, which shall include the Probationary Period and thereafter the regular deduction shall apply to dues owed for that month.

(b) In making the deductions and transmittals as above specified, the "Employer" shall rely upon the most recent communication from the "Union" as to the amount of monthly dues and proper amount of initiation fee. The total amount deducted shall be paid to the "Union" within fifteen (15) calendar days after Board approval of such deduction is made.

Section 2. Representation Fee.

(a) If an employee does not become a member of the "Union" during any membership year (from February 1 to the following January 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the "Union" for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the "Union" as majority representative.

(b) Prior to the beginning of each membership year, the "Union" will notify the "Employer" in writing of the amount of the regular membership dues, initiation fees and assessments charged by the "Union" to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

In order to adequately offset the per capita costs of services rendered by the "Union" as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the "Union" to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased or decreased to the maximum allowed, said changes to become effective as of the beginning of the "Union" for the then current membership year. The "Employer" will deduct from the salaries of such employees, in accordance with Paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the "Union".

2. The "Employer" will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

- (a) 10 days after receipt of the aforesaid list by the "Employer"; or

- (b) 30 days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the "Employer" in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid 10 days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. If an employee, who is required to pay a representation fee, terminates his or her employment with the "Employer" before the "Union" has received the full amount of the representation fee to which it is entitled under this Article, the "Employer" will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

ARTICLE 6. SENIORITY

Section 1. The "Employer" shall establish and maintain a seniority list of "Unit" employee's names and date of employment from the date of last hire on a unit-wide basis, with the employee with the longest length of continuous and uninterrupted unit-wide service to be placed at the top of said seniority list, but the initial list shall be as of his anniversary date of hire.

The name of all "Unit" employees with shorter length of continuous service shall follow the name of such senior employee in order, until the name of the employee with the shortest length of service appears at the foot of the list. The seniority of each employee shall date from the employee's date of last hiring with the "Employer".

Section 2. New "Unit" members retained beyond the probationary period shall be considered permanent employees and their length of service with the "Employer" shall begin with the original date of their employment and their names placed on the "Seniority List". Such seniority list shall be kept up-to-date with additions and subtractions as required.

Section 3. An employee's seniority shall cease and his employee status shall terminate for any of the following reasons:

- (a) Voluntary quit or resignation;
- (b) Discharge for just cause;
- (c) Continuous layoff for a period exceeding twelve (12) months;

- (d) Failure of a laid-off employee to report for work within three (3) working days after being recalled to work by notice sent by the "Employer" by telegram or certified mail, return receipt requested, to the employee's last known address as shown on the "Employer's" records, unless return to work within such three (3) days is excused by the "Employer" in writing;
- (e) The failure to report for work without notice to the "Employer" and without submission of a justifiable excuse for such absence;
- (f) Failure to report back to work immediately upon completion of a leave of absence or any extension thereof;
- (g) Retirement;
- (h) Acceptance of gainful employment while on leave of absence;
- (i) Failure to abide by the Rules and Regulations of the Authority.

ARTICLE 7. FORCE REDUCTION

Section 1. In the reduction or restoration of the working force, the rule to be followed shall be the length of service with the "Employer". The employee with the least seniority shall be laid off first, and in rehiring the same principle shall apply; namely, the last employee laid off shall be the first to be rehired.

ARTICLE 8. NON-DISCRIMINATION

Section 1. It is agreed that the parties hereto will continue their practice of not discriminating against any employee because of race, color, creed, religion, nationality, or sex. No employee shall be discriminated against because of Union activities.

ARTICLE 9. HOLIDAYS

Section 1. The "Employer" agrees to establish for the benefit of all employees within the "Unit" the following holidays, with full pay for eight (8) hours at the employees' regular straight time rate of pay, though no work is performed on such days:

New Year's Day	Veterans Day
Lincoln's Birthday	Thanksgiving Day
Washington's Birthday	Friday after Thanksgiving
Good Friday, 1993	Day before Christmas
Memorial Day	Christmas Day
Independence Day	Day Before New Year's
Labor Day	Martin Luther King Day
Columbus Day (effective 2/1/94)	

Section 2. Employees who work on any of the holidays shall be paid for such three times the employee's regular rate of pay, which shall include the holiday pay, provided that the employee worked the scheduled day before and the scheduled day after the holiday.

Section 3. If a holiday falls within the vacation period of an employee, the employee shall not be charged for a vacation day for that holiday.

Section 4. Any work performed beyond eight (8) hours in any day of the work week that is a holiday as designated in this Contract shall be considered overtime and paid at the rate of three times the employee's regular rate of pay. Any employee called back to work or called to work as a result of the beeper shall be paid for such at the rate of two times the employee's regular rate of pay on said holiday.

Section 5. For the purpose of determining the rate of pay, all employees working on Easter Sunday shall be compensated as stated above at the holiday pay rate. Those employees not working on Easter Sunday would receive no holiday benefits.

Section 6. In the event a holiday falls on a weekend and is not celebrated on the following Monday, then, all employees not working on the actual holiday shall receive a full pay for eight (8) hours at the employees regular straight time rate of pay, though no work is performed on such day. Any employee working on the holiday shall be paid in accordance with Section 2, above. In the event the holiday is celebrated on a Monday, then, all employees not working on the holiday shall receive a full pay for eight (8) hours at the employees regular straight time rate of pay, though no work is performed on such day. The Authority will operate with a skeleton crew on such day with those working receiving their full pay for the eight (8) hour day at the regular straight time rate of pay plus an additional full pay for eight (8) hours at their regular straight time rate of pay. Any employees working on that Sunday which is the actual holiday, regardless of when it is celebrated, shall receive the holiday pay which shall be paid at three (3) times the employee's regular straight time rate of pay, which shall include the holiday pay provided that the employee worked the scheduled day before and the scheduled day after the holiday. In the event the employee works on the Sunday as the holiday, and then works on the Monday when the holiday is celebrated, then, the employee receives only his full pay for the eight (8) hours at the employee's regular straight time rate of pay.

Section 7. In the event that an employee is called to work as a result of a beeper call on a day which is not a holiday, but the time spent on the job carries over to a holiday, the employee shall receive a minimum of three hours pay at time and one half for this time spent on the job up until midnight and then double time for his actual time spent on the job during the holiday. Likewise, in the event that an employee

Section 7. (continued)

is called to work as the result of a beeper call on a day which is a holiday, but the time spent on the job carries over to a day which is not a holiday, the employee shall receive a minimum of three hours pay at double time for his time spent on the job up until midnight, and then time and one-half for his actual time spent on the job during the day after the holiday.

Section 8. All Unit employees shall be entitled one day per year to be considered a floating holiday. This floating holiday may be taken at any time during the fiscal year and shall not be carried over to subsequent years nor accumulated. This floating holiday must be requested to the employer in writing in accordance with those provisions outlined in Article 10, Sections 4, 5, 6 and 7 below.

ARTICLE 10. VACATIONS

Section 7. In the event two or more employees request vacations on different days, for the same time period, those requests already approved will be honored first.

Section 8. An employee may retain five days' vacation for use in a subsequent year. No other vacation time may be accumulated.

Section 2. The "Employer" shall maintain a record of sick days used or remaining which shall be used for the following purposes:

- (a) Any employee who has accumulated up to twenty (20) sick days or more, may use up to twenty (20) sick days in one (1) year and no more.
- (b) All accumulated sick days shall be compensated for at the rate of 1/2 day pay computed as of the current year earned on the occasion of their being laid off by the Authority for a period in excess of six (6) months, or on the occasion of his retirement or death, but no compensation to any employee for accumulated sick days shall in any case exceed the actual sum of \$12,000.00.
